01 WHERE WE STARTED

What we built it around.

01

He grew up here. He came home to practise.

Built on Dr. Fung’s bio: born and raised in Vancouver and proud to be in his hometown. Option 1 brings his own headshot out of the dark, with the way home read along the foot, from Windermere Secondary and UBC to Victoria & 54th.

02

We’ll take care of the paperwork.

From your homepage. Option 2 wraps the line in your own photo of the front desk, the two people who bill BC dental plans directly and speak ten languages, laughing at the marble counter.

03

Before work, after work, and on Saturdays.

Built on your posted hours: 7 am Monday to Thursday, Wednesdays to 7:30 pm, Saturdays 8 to 5. Option 3 shows your reception across one working day in time slices, with parking right behind the building.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

03

Who owns it?

You do. The site and the domain are in your name, not ours. Hosting is included and nothing renews unless you ask. If you ever want to move it, you get every file.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,750) when you say go, the rest ($1,750) when the site is live. You've seen the homepage before paying anything.
